SCHOOL DAYS IN CLARK **R** **K**

Clark County Schools are typical of the schools throughout our wonderful country. Boys and girls of all sizes and ages meet five days a week, nine months a year to further their knowledge and learn the knack of getting along with others. School is an important factor in the development of well-rounded personalities and characters.

Students are required to take certain academic subjects and are then encouraged to participate in extra-curricular activities such as plays and newspaper and yearbook work.

To add color and flavor to school life there are the romances and friendships that come and go, parties, and of course, dances.

Thinking of all this and the Clark County students we chose "School Days in Clark County" as the theme throughout this 1958 "Bobcat" Annual.

Dedication

Thousands of words could not express the heartfelt appreciation of all her students for this fine woman, instructor, and friend who spent 18 consecutive years teaching grade students.

To Mrs. Ida May Cook, this 1958 Bobcat annual is affectionately dedicated.

SENIOR

CLASS

PROPHECY

From our scanning space reporter, Hecate Carmel, we have received the following data concerning the "Class of '58." One decade has passed since this class graduated from Clark High and Miss Hecate has followed each of their actions through the marvelous assistance of Jetnek, the atomic satellite.

Senior President, Gerald Holmes, is still a confirmed bachelor with much time on his hands. His prosperous business, coon trapping, has brought in much dough-ra-me. Gerald hopes that the Congressmen will continue to wear coon skin hats so his sales will remain high.

Senior Vice-President, Nadene and her husband Gaylen can be found in an elegant glass house centered in the growing metropolis of Dubois. Nadene is head of the corporation that manufactures "hair pins for bald people" and has sold well over the millionth pin.

Vic and Linda (Moore) Christensen are now engaged in the mining business. Soon after they were married Linda was digging a hole to bury a charcoal-burned cake when she ran onto a metal, phosphorus-uranium used in the manufacture of space ships.

Dennis Johnston soon took over Mr. Tavenner's job and is now janitor at Clark High. Dennis became the idol of every housewife in the country when he invented a new window-washing device.

Ebert and Fay (Wilding) Book are now settled on a big ranch in Texas. They own a thousand head of Quarter Horses and two dogs.

Nancy Stelzer is now doing very well for herself in a wildwest show which travels from town to town. At the present she is shooting cigarettes from her fifth husband's mouth. Nancy occasionally slips, though, and because of this had rather bad luck with her other four husbands.

Jess and Marie (O'Neil) Rawson are now settled deep in the heart of Texas. Jess owns a large cattle spread and is presently teaching Marie and their six red-headed children the tricks of the trade.

I really need not say much of Doris Jensen as most of you are probably as well acquainted with her life happenings as I am. Doris is now the most talked about movie actress of the satellite age. She and her husband, Elvis still come to Dubois on their vacations.

Brent Black is also a big celebrity now. Through his travels in space he met and fell in love with a gal on the planet Mars and they are married. I will give Brent a little publicity and ask you to please vote for him for President of the Rocketfeller Ship Company.

And lastly we have Hecate Carmel alias Carol Leonardson, Senior Class Secretary and Treasurer. Miss Hecate Carol just zooms around on her satellite, Jetnek, gathering all news that isn't for anyone who isn't. If you hear a "beep beep" you know she is hanging around.

It all seems very strange and wonderful when you think about the places fate has led this graduating "Class of 1958."

SENIOR CLASS HISTORY

SEPTEMBER 7, 1954 We entered Clark High as shy, green, unsure Freshmen.

OCTOBER 1, 1954 The Sophomores initiated us and gave a dance that evening in our honor. We elected our 1954 class officers. Carol Leonardson was elected President; Floyd Gneiting, Vice-President; Nadene Rue, Secretary-Treasurer; Linda Moore, Representative; and Mr. Hoskins, Advisor.

MARCH 11, 1955 We held our Freshman Frolic which turned out to be a huge success.

SEPTEMBER 6, 1955 Our Sophomore class started a successful year by electing the following class officers: President, Gerald Holmes; Vice-President, Linda Moore; Secretary-Treasurer, Carol Leonardson; Reporter, Nadene Rue; Representative, Doris Jensen; and Advisor, Mr. Turley. We lost three students during our Freshman year; Marla Youngstrom, Floyd Gneiting, and Michael O'Neil but gained one student, Jess Rawson our Sophomore year.

SEPTEMBER 29, 1955 We initiated the Freshman and gave a dance in their honor September 30th.

FEBRUARY 4, 1956 Our candidate, Fay Wilding, was crowned, "Carnival Queen" of 1955-56. Her booth was decorated in a blue and gold color scheme.

MARCH 16, 1956 We held our "Sophomore Hop." It proved to be a huge success both financially and in providing fun for all who attended.

SEPTEMBER 4, 1956 We assembled as Juniors and elected the following officers: President, Jess Rawson; Vice-President, Nadene Rue; Secretary and Treasurer, Carol Leonardson; Reporter, Doris Jensen; Representative, Fay Wilding, and Advisor, Mrs. Vivian Stelzer. We gained a new member, Gaye Laird, but lost her the following summer to Leland Speelmon.

MARCH 8, 1957 Our Junior class play "House For Sale -- Haunted" was presented. It was a three-act comedy-mystery with ghosts, snakes, and spiders galore plus a tattooed man and gypsy fortune-teller.

APRIL 26, 1957 "Butterfly" was the theme of our Junior Prom held in the local gymnasium which was beautifully decorated in pink and orchid. A garden and butterfly scene on the stage and a wishing well in the center of the gym carried out the theme with the "Bop Kats" orchestra furnishing the music.

SEPTEMBER 3, 1957 We congregated as Seniors and chose the same officers as the previous year with the exception of President. For this position Gerald Holmes was elected.

DECEMBER 4, 1957 We presented our Senior class play, "Hot Water," a comedy in two acts. It was all about a plumber and football player who impersonated each other.

MARCH 1, 1958 The Senior's sponsored a dance at Medicine Lodge. Glenn Squires orchestra furnished the music for the occasion.

MAY 18, 1958 Baccalaureate was held in the Baptist church with Bishop Dale Willes as the speaker.

MAY 21, 1958 We held our Commencement exercises in the Du-bois School Gymnasium at 8:00 p.m.
